News & Events

School finishes today for the Easter break and we return on Monday 25th April. Routines for the start and end of the day will remain the same but will be reviewed on our return. Updated information regarding COVID has been issued via the Parent App.

Congratulations to our budding artist Libby. She had the winning entry in a poster competition and her artwork is now displayed in Flagstaff Park. Keep an eye out for it if you are out and about during the holidays.

Last week we had to say a sad goodbye to Mrs Mole. She has moved on to Berwick Middle School and we wish her well for the future.

Star of the Week

<u>Nursery</u>	Jace
<u>Class 1</u>	Ollie
<u>Class 2</u>	Havanna
<u>Class 3</u>	Tuesday
<u>Class 4</u>	Nicole
<u>Class 5</u>	Bailey-Shay
<u>Class 6</u>	Tyler O

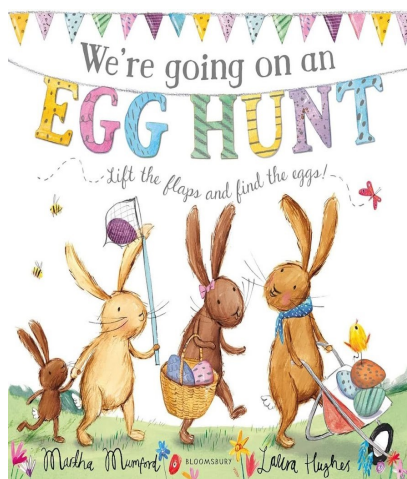

What have we been learning this week?

Nursery

This week in Nursery, we have been learning all about Easter. We have read the story "We Are Going On An Egg Hunt". We've made Easter cards, crispy cakes and crafts. The children particularly enjoyed the egg hunt on the field!

We've been learning lots of new words, which include: 'basket', 'decorated eggs', 'lamb', 'chick' and 'bunny'.

Next term, Nursery will be visiting the library on a Friday afternoon. Boogie Beats will run on a Monday afternoon and Rhiannon will continue visiting on a Wednesday. We are looking forward to welcoming all our new starters and their parents after the holidays!

Monday 16th May

Walk to school week

Friday 27th May

School closes for half term

Class 1

This week Reception ended their half term learning about the weather by creating a weather mobile. The children enjoyed creating their own illustrations to hang from the string. We also had a rainbow and clouds for some sensory play made out of shaving foam and rice! The children have also been learning about the Easter story and were able to retell it to the adults.

Class 2 & 3

This week Class 2 and 3 have really enjoyed finding out about how Christian people celebrate Easter and the significant events on Maundy Thursday, Good Friday and Easter Sunday. They took part in an 'Easter Craft Day' on Thursday and all the children enjoyed making and eating Easter nests, decorating their own hard boiled egg for an Easter competition and rolling the eggs across the playground. In geography they have labelled the seas around the United Kingdom to develop their map skills and have drawn the flags of England, Northern Ireland, Scotland and Wales.

Class 4

This week class 4 have worked very hard on their math's tests and on their Ancient Greece fact files. They have illustrated them with amazing colours and included a chatty tone to make them much more entertaining. We have also been creating our own Faberge eggs using paper mache and balloons over the course of the week. These will be completed on Friday afternoon and we thank you all for your patience as it has been very messy at times. From all of us in class 4 we wish you a Happy Easter.

Class 5 & 6

This week Year 4 have enjoyed writing reports on Ancient Greece and illustrating them. In Maths we have been learning to add decimals and money using the column method. In design and technology we have been completing our 'pop up' Easter cards. We have also been looking at the Easter story this week and learning how to sequence and retell it.
