### News & Events

It's been a week where we are grateful that we live at the seaside! The children have enjoyed visiting the beach and spending time out doors. With the weather set to continue to be hot please can you ensure the children continue to have sunscreen, sun hats and plenty of water to hand next week. Have a lovely weekend!

### Star of the Week

<u>Nursery</u>	Regan
<u>Class 1</u>	Kenzi
<u>Class 2</u>	Troy
<u>Class 3</u>	Luke
<u>Class 4</u>	Billie-Rose
<u>Class 5</u>	Amy H
<u>Class 6</u>	Jenson
<u>Lunchtime Award</u>	Sophie

### Diary Dates

### What have we been learning this week?

#### Nursery

This week in nursery we have been enjoying the beautiful weather, spending a great deal of time outside. We have been playing in the sand, building dens with planks of wood and used the scooters and bikes to speed around the playground. Mrs Fleming treated us to a polish afternoon and taught us all about Poland. She brought us in a selection of treats to try. We continued looking at space., focusing on rockets. We built our own rockets to fly us to the moon. Finally, we took part in our last yoga and Boogie Beats sessions of the year.

Key vocabulary; rocket, spaceship, journey and shuttle.

#### Monday 18th July

Skipping competition

#### Tuesday 19th July

Miss McColl's class visit the splash park

Leavers assembly 2.30 p.m.

#### Wednesday 20th July

Miss Jeffrey's class visit the splash park

Mr Hair and Miss Bayly's class visit the beach.

#### Thursday 21st July

Leavers party

#### Friday 22nd July

School closes 3.20 p.m.

## Weekly News!

Create Achieve Respect Enjoy!

### Class 1

This week Reception had a visitor...his name was Miles the Bear. He told us about the Great North Air Ambulance and how to keep safe over the summer. He also told us different ways we could help the Great North Air Ambulance. "We could be a pilot when we are older or be a paramedic and a doctor to help." - Hunter "We could give to charity. We can give away old clothes that don't fit us anymore. We could also raise money by having a cake sale". - Antonia As a result of filling our class rewards jar Reception were able to go to Spittal splash park, Spittal beach and played with water balloons. "I liked playing on the beach and sharing my friend's spade. He was very kind". - Louis T "My favourite was the beach because I like making sandcastles". - Harry F. The children have had an amazing week. They've been creative, achieved great reading, shown respect and enjoyed school. Well done!

### Class 2 & 3

Year 1 and 2 have had a busy week in the sun. All the children enjoyed an afternoon on Spittal beach collecting shells, digging holes and building sandcastles. Everyone had a great time! The children have completed some beautiful directed drawings of toucans that live in the rainforest as part of their science work. Year 1 have been learning to tell the time to half past the hour in maths and have participated in fun team games in PE lessons. Year 2 have been learning to read scales by counting in steps of 2, 5 and 10 accurately and have played cricket in their PE lesson.

Vocabulary - habitat, rainforest, scales, o'clock, half past, team work, dates, calendar, weeks

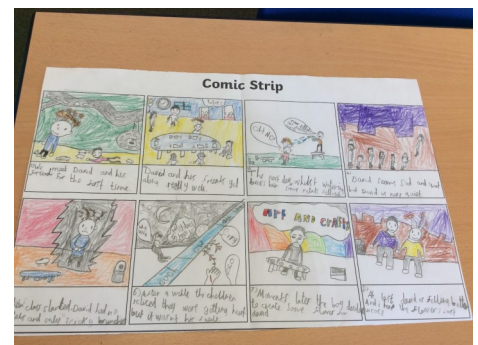

### Class 4

This week class 4 have been working hard on a storyboard retell of the class story 'The Boy with Flowers in His Hair'. We finished the book and examined the moral of the story through class discussion. In numeracy we have been revisiting different aspects that we have learnt over the year. We have been practising our column addition, subtraction and multiplication, division using the 'bus stop' method and our times tables skills. We have also been revisiting the language that is used. In PSHE we have been looking at sugar in our diet. We investigated which foods are healthy and why some aren't and the affect this can have on our teeth. We also examined the sugar that is hidden in some of our favourite treats by looking at how many teaspoons of sugar are in specific foods. Key vocabulary; moral, varied and enamel.

### Class 5 & 6

Year 4 have had another busy week. We have been practising our Leavers' Assembly; thinking of our favourite memories, talking about our time in Spittal and learning two songs. In literacy we have been working hard on our spellings. We practised our spelling using School 360 and have written over 300 words! In maths we have been working on data handling. We were looking at charts and graphs and answering questions about them. On Friday we started designing our own playpark. We had loads of great ideas... water parks, climbing frames, swings, slides, cafes and benches for the adults!
